

Clerks Report for Jan 25

Playing Field:

- The signage has been ordered.
- Following the recent storms two trees have suffered damage and the contractor has been called to address concerns of wind sail following the loss of branches.
- Consideration should be taken to having all of the leylandii trees reduced in height to alleviate the issues experienced.
- The playing field shed has been tidied up.
- The bird boxes have been collected ready for installation in the Playing Field.

Cemetery:

- The public awareness session has taken place with no members of the public attending.
- The Cemetery shed has been tidied up to allow access to the CCTV when required.
- The office has chased for dates for the memorial testing.

General:

- At recent engaging with your community training, it was advised that we look at our approach to how this happens consistently. A survey has been circulated to all Cllrs for completion.
- Work is being undertaken to produce a candidate pack for the upcoming elections.
- The Christmas tree has been removed.
- Two grit bin refills have been ordered.
- No Parking sign for Enniscaven Bus Stop has been ordered.
- Fly tipping reported by staff at Gavergain has been collected
- Cornish Lithium have been contacted regarding the refurbishment of the Enniscaven Finger post.
