With vista print if we ordered more than one the price is reduced – proposal is 3 or 4 banners.

One to go on Trelavour Prazey, one on Freda's Triangle, one on the fence opposite the fire station and maybe another one in the centre of the village (Claytawc or Fore St perhaps).

The wording is included. They are thick vinyl material and weatherproof. They have eyelets with which to secure them with string to fences etc.

Email sent to St Dennis Primary Academy re: whether they would like to participate in a lantern parade with the children making lanterns. Response awaited as there has been a school trip and the Head has been away. TH has checked with school – our email has been received and will be responded to as soon as possible.
